CONTINUING EDUCATION CREDITS

PHYSICIANS:

Accreditation: This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the Warren Alpert Medical School of Brown University and the New England HIV Education Consortium. The Alpert Medical School is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation: The Alpert Medical School designates this educational activity for a maximum of 5.5 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only credit commensurate with the extent of their participation in this activity.

NURSES:

Under the auspices of the New England AIDS Education and Training Center, this offering meets the requirements for a maximum of 7.0 **contact hours**, as specified by the Massachusetts Board of Registration in Nursing (244-CMR 5.04). Each nurse should claim only those hours of credit that he/she actually spent in the educational activity.

SOCIAL WORKERS:

This program has been approved for 4.75 Social Work Continuing Education Credits, for the licensure period of October 1, 2008-September 30, 2010, in accordance with 258 CMR. Boston University School of Social Work Authorization Number B-10-214.

LEARNING OBJECTIVES

At the conclusion of this program, participants should be able to:

1. Explain clinical management of HIV infection among youth, new directions in HAART, newer ARVs as components of salvage therapy, vaccination guidelines, and positive prevention strategies;
2. Identify HIV clinical, demographic and social trends, concerns, and disparities among adolescent populations, particularly those of color;
3. Recognize challenges of transition from pediatric to adult health care systems;
4. Compare Connecticut, Rhode Island, and Massachusetts state guidelines for implementing CDC Guidelines for Routine Testing;
5. Utilize innovative strategies of STD and HIV prevention, testing, and access to age-appropriate care in adolescent health care systems and family planning programs serving teens and young adults.
