

# New England Federal Training Center Collaborative = FTCC

- Sharing some history of FTCC regional collab. with NEAETC Advisory board
- Selected slides from July 2010 FTCC National meeting presentation by Durrell and Katie (then Martocci now Saul!)
- Brief highlights/updates from NEAETC collabs. with other centers
- Updates from each center
- Group discussion

# Regional Cluster Training Centers Breakout session Report (2010)

## Group I/Region I

### NY & New England representatives

**Katie Martocci – JSI Research & Training Institute –RTC**

**Sue Payette - NY State STD/HIV - PTC  
(Partner Serv.)**

**Leslie Cohen – ATTC of New England**

**Nickolette Patrick – RTMCC**

**Brianne Fitzgerald - New England AETC**

**Durrell Fox – New England AETC**

**THE G<sub>1</sub>/R<sub>1</sub>/NE RTC, PTC, RTMCC, AETC, Mtg. in KC, MO**

# Existing Collaborations and Partnerships

- Since 1991-1992 AETC and PTC collaborated on training programs and initiatives
- In 1994 the ATTC joined in on training collaboration with AETC and PTC
- In 1995 the RTC joined in...
- Representation at \_TC bi-annual national meetings by at least 4 centers

# Some achievements since 2008 meeting

- Strengthened collaboration and interaction among Region I TCs (resulting in proactive planning for joint initiatives).
- Development of a wiki to streamline communication and collaboration (shared training calendars, working documents, flyers, special projects, etc.).
- Ongoing quarterly meetings at the AETC
- Participation at each other's advisory board meetings.
- Cross training collaborations in 2009-2010: 4 TB/ATTC, 1 TB/AETC 1 RTC/ATTC, 1 RTC/PTC, and 5 PTC/AETC and 1 AETC/TB/PTC/RTC/ATTC

# One Highlighted Activity

**Delivering Rapid HIV Tests Results: Experiences from the Field.** (DVD, discussion guide, and potentially an online course).

- Includes Topics/tips on how to deliver HIV test results, addressing provider and client concerns.
- Clinical and non clinical target audience and settings (TB clinics, CHCs, substance abuse programs, family planning sites, corrections)
- Not limited to rapid test results
- 30 minutes and chaptered (client and provider stories and acted scenarios)

# 2010 Meeting contributions

- Identified a need to consider language, distribution and ways the video could be used in different training settings.
- Discussed the use of social media to help market and distribute the video.
- Expressed national demand for the “*HIV results*” video and discussion guide.
- Discovered potential new methods for evaluating distance learning.
- Overall explored innovative learning , training and evaluation techniques to bring back to the region

# Region I – 2 Year Plan 2010-2012

Activity	Timeline
DVD and discussion guide produced	August 2010
DVD and discussion guide available for viewing and download online	September 2010
Region I TC meetings - (updates from all and highlighting a different TC )	Quarterly
Advisory board meetings – (TC reps. participating on other TC boards)	Ongoing
Develop online course on Delivering Rapid HIV Test Results	Nov 2010 – June 2011
