TUESDAY, JANUARY 31, 2012
1:00 PM - 2:00 PM

PRE-REGISTRATION REQUIRED. REGISTER ONLINE AT WWW.NEAETC.ORG

We are a network of HIV specialists and primary care clinicians who provide collegial support and expertise to one another, enhancing and advancing care for persons with HIV disease in their communities.

Participants are invited to bring cases from their own practices for discussion

At the completion of this program participants should be able to:

- List two criteria to consider when starting ART treatment
- Obtain appropriate clinical studies to support the decision to begin ART
- Outline relevant data supporting utility of early treatment

Jointly sponsored by:

New England AIDS Education and Training Center
&

University of Massachusetts Medical School - Office of Continuing Medical Education

UMMS Planning Committee:

Donna Gallagher, APRN-C, MS, ANP, FAAN, MA
Jennifer Daly, MD

The Update will feature case presentations and discussion about the most recent and significant findings in HIV Care and Treatment. This 1.0 hour program will include presentations of the most recent developments in science, treatment and care, and prevention; with opportunity for discussion integrating this new information into clinical practice.

Target Audience: Primary care providers, nurses, NP's, PA's, social workers, pharmacists.

Continuing Education Credits

Accreditation Statement: This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of The University of Massachusetts Medical School and New England AIDS Education and Training Center. The University of Massachusetts Medical School is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation Statement: The University of Massachusetts Medical School designates this live activity for a maximum of **1.0 AMA PRA Category 1 Credit(s)**[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nurses: Under the auspices of the New England AIDS Education & Training Center, this offering meets the requirements for a maximum of **1.2 contact hours**, as specified by the Massachusetts Board of Registration in Nursing (244-CMR 5.04). Each nurse should claim only those hours of credit that he/she actually spent in the educational activity.

Policy on Faculty and Provider Disclosure: It is the policy of the University of Massachusetts Medical School to ensure fair balance, independence, objectivity and scientific rigor in all activities. All faculty participating in CME activities sponsored by the University of Massachusetts Medical School are required to present evidence-based data, identify and reference off-label product use and disclose all relevant financial relationships with those supporting the activity or others whose products or services are discussed. Faculty disclosure will be provided in the activity materials.

Funding: The New England AIDS Education and Training Center (NEAETC), established in 1988, is one of eleven Regional AIDS Education and Training Centers (AETC), and five National Centers, funded by Health Resources Service Administration (HRSA) with Ryan White Part F dollars and sponsored regionally by Commonwealth Medicine at the University of Massachusetts Medical School through a grant from the Health Resources & Services Administration, Federal Grant No. H4AHA00050
