

CT HIV WORKFORCE DEVELOPMENT SERIES

A Training Series for Healthcare Professionals
Who Work with Those At-Risk For or Living with HIV

Cultural Competency & Awareness

May 8th, 2024

12:00-1:00 PM

Presenter:

Kismyth Shuler, DSW, LCSW

Behavioral Health Director,
CIFC Health

Training Objectives:

- Learn ways to be reflective and critically conscious of your own social locations, power, and any oppressions you may hold, and recognizing implicit bias.
- Learn how to be reflective in your own cultural constructs and what potential impact there may be when working with stigmatized populations.
- Develop an understanding of intersectionality and the saliency of integrating this framework with stigmatized and marginalized populations.

Moderator:

Dante Gennaro, Jr.

AIDS Education and Training Center, Program Director

Yale School of Medicine
