

PUBLIC HEALTH OUT LOUD GRAND ROUNDS

A monthly public health live webinar series jointly provided by the Rhode Island Department of Health (RIDOH) and Brown University Health (BUH).

Congenital Syphilis in Rhode Island

Speaker(s):

Caroline L. Gummo, MHS is currently the surveillance manager for RIDOH's tuberculosis, viral hepatitis, and STD programs. She has a background in epidemiology, medical laboratory sciences, and a strong interest in infectious disease.

Date: Wednesday, April 16, 2025

Time: 12pm-1pm

Register at: <https://www.neaetc.org/events/view/28595>

Objectives - At the conclusion of this session, participants should be able to:

- Discuss RI regulations for syphilis screening during pregnancy and adequate treatment during pregnancy
- Describe congenital syphilis pathways to diagnosis and CDC case definitions
- Underline syphilis testing algorithms
- Explain RI data on incidence, case characteristics, infant and maternal outcomes, and missed opportunities

Intended Audience:

Medical professionals

Accreditation:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Rhode Island Hospital and The Miriam Hospital.
