Care for the Caregiver: Adapting to the New Normal
June 22nd, 6:00-7:00PM

Join us for a virtual presentation on managing stress, fear, and emotional responses as we continue to navigate the COVID-19 pandemic. This interdisciplinary, interactive webinar will address the continued stress on caregivers during this time, and the challenges of caring for high-risk populations, including people with HIV and associated co-morbidities.

Stephen M. Brady, PhD
Director, Mental Health Counseling and Behavioral Medicine Program
Associate Professor of Psychiatry and Graduate Medical Sciences
Boston University School of Medicine

Accreditation Statement: This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Massachusetts Medical School Office of Continuing Medical Education and New England AIDS Education and Training Center. The UMMS-OCME is accredited by the ACCME to provide continuing medical education for physicians. Credit Designation Statement: The University of Massachusetts Medical School designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Policy on Faculty and Provider Disclosure: It is the policy of the University of Massachusetts Medical School to ensure fair balance, independence, objectivity and scientific rigor in all activities. All faculty participating in CME activities sponsored by the University of Massachusetts Medical School are required to present evidence-based data, identify and reference off-label product use and disclose all relevant financial relationships with those supporting the activity or others whose products or services are discussed. Faculty disclosure will be provided in the activity materials.

Funding: This program is supported by the Health Resources and Services Administration of the U.S. Department of Health and Human Services under grant number U48/HA29294 (AIDS Education and Training Centers) awarded to the University of Massachusetts Medical School. This information of content and conclusions are those of the authors and should not be construed as the official position or policy of, nor should any endorsements be inferred by HRSA, HHS or the U.S. Government.
