

The Northeast Alliance for LGBTQ+ Health Presents:

# Intersectional-Stigma Among the LGBTQ Community

Friday, June 2, 2023 | 1:00 - 2:00 pm

Presented by:

Valarie Earnshaw, Ph.D.  
Associate Professor,  
University of Delaware

Dr. Valarie Earnshaw and Dr. Skyler Jackson will co-present a didactic presentation on stigma among the LGBTQ+ Community, with emphasis on the intersectionality of additional stigmas, such as HIV status, race & ethnicity, and gender.

## Learning Objectives:

Upon completion of this session, participants will be able to:

1. Understand the harmful effects of stigma on the LGBTQ+ Community.
2. Learn why stigma is directly correlated with new HIV infections.
3. Learn how to best approach stigma and help reduce its impact on patients and clients.
4. Understand why mental health and addressing stigma is vital for optimal care for LGBTQ+ patients/clients.
